

WILD LIFE Sydney Zoo

Student Behaviour Guidelines

WILD LIFE Sydney Zoo is a place of learning, discovery and fun! To make your visit productive and enjoyable please take the time to discuss the following with your students before your visit.

- Students must stay with parent helpers or teachers at all times – inside the attraction, during lunch breaks and in the gift store.
- Your school group will be sharing WILD LIFE Sydney with other schools and visitors and we request that all visitors to the attraction are treated with courtesy and respect.
- WILD LIFE Sydney Zoo is a place of learning. We request that students do not run, shout, climb on the exhibits or eat inside the zoo building.
- Please use books or clipboards as writing surfaces and avoid leaning on walls, windows or exhibits to complete worksheets.
- All our visitors are required to be gentle when interacting with any of our animals. Please do not shout, bang on the exhibit glass or otherwise frighten our residents. If you are invited to touch or handle an animal by one of our keepers please listen carefully to their instructions and be gentle and calm at all times.
- To keep our environment tidy and healthy please collect all rubbish when eating lunch outside and dispose of it properly.

We hope that you have an enjoyable excursion to WILD LIFE Sydney Zoo.
